

## FEEDBACK SURVEY

### Surgery & Opioids: Best Practice Guidelines 2020

#### OPEN CONSULTATION

#### INTRODUCTION

[Surgery and Opioids: Best Practice Guidelines 2020 - version for open consultation](#)

This document represents the work of a multi-organisational and multidisciplinary collaboration and sets out the guiding principles in opioid management in the perioperative period.

We would be very grateful for any comments you may have on the guidance. Your feedback is important and greatly appreciated.

The questionnaire should take roughly 10 mins to complete. Please kindly submit your feedback by **5pm on Monday 5 October**.
